REQUESTED BY: Claire Golding, EAC Chair

"The listings of matters are those reasonably anticipated by the Chair 48 hours before said meeting, which may be discussed at the meeting. Not all items listed may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law."

LIST OF TOPICS TO BE DISCUSSED

EAC Speaker Series: Energy Savings for Today and Tomorrow

Princeton Light Commissioner and independent consulting engineer Rick Rys

will describe the future of electric energy management, including demand- side management, net metering, smart metering, and interactive homes. He will also offer practical tips on increasing home energy efficiency.

Joseph Coles, Energy Efficiency Program Manager with the Massachusetts Municipal Wholesale Electric Company, will discuss rebate and incentive programs currently offered to Princeton Municipal Light Department customers through the Home Energy Loss Prevent Services (HELPS) program.

The presentations will be followed by a Question & Answer session.

Princeton's Environmental Action Committee 2021
