

Effective: February 15, 2023
Princeton Municipal Light Department
MDPU# 121

Primary Metered Utility Rate (UR)

AVAILABILITY: Service under this rate is available for primary service and shall include service to electric utilities serving “landlocked” customers requiring a single-phase or three-phase primary connection.

COST OF SERVICE:

Monthly Service Charge:	\$10.00 per meter (with no kWh)
Energy Charge:	\$0.4341 per kWh
Monthly Minimum Charge:	The Monthly Service Charge

TERMS AND CONDITIONS: The Department's Terms and Conditions in effect from time to time, where not inconsistent with the specific provisions hereof, are a part of this rate.

POWER COST ADJUSTMENT: A Purchase Power Cost Adjustment (PPCA), either a charge or a credit, shall be applied to all kilowatt-hours sold under this rate as provided in the PPAC.

EXCULPATORY CLAUSE: An exculpatory clause shall apply to all rates and services provided by the Department.
